

# Final story

The gift amount received is dominated by five colleges in almost all the allocation types - campus resource, Endowment ,Scholarship

The city of Colorado , Texas ,California receive the big chunk of the gift amount than the other cities . California despite being more urbanised draws more gift amount, probably because of the not so popular majors

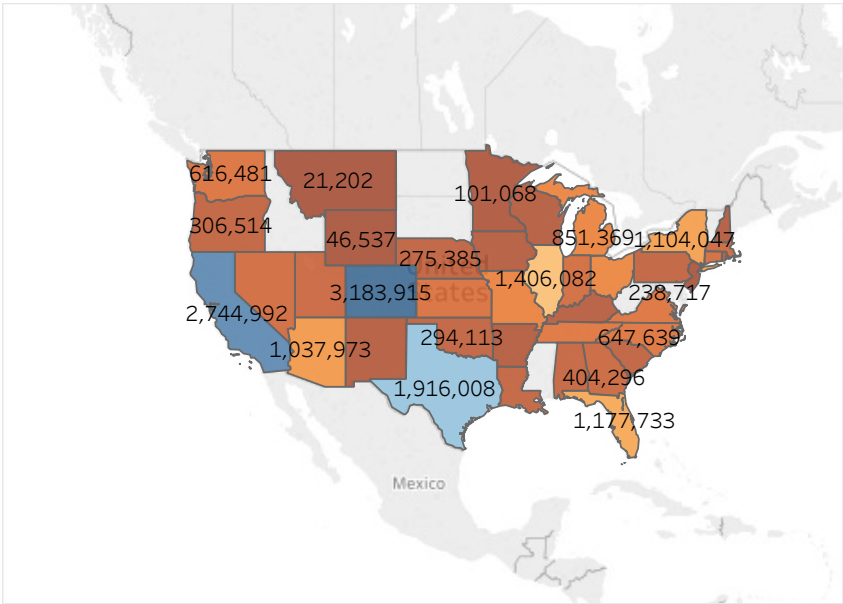

# Final story

The gift amount received is dominated by five colleges in almost all the allocation types - campus resource, Endowment ,Scholarship

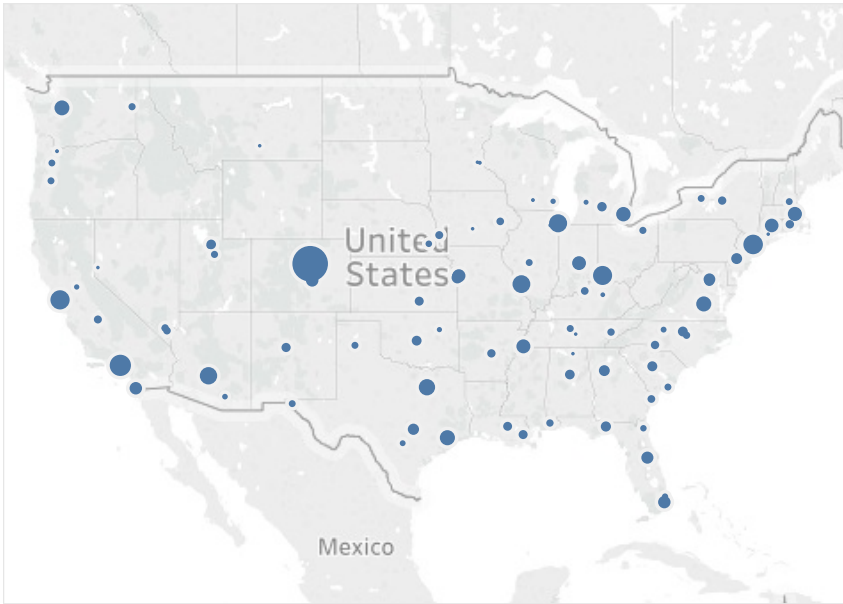

The city of Colorado , Texas ,California receive the big chunk of the gift amount than the other cities . California despite being more urbanised draws more gift amount, probably because of the not so popular majors

Interesting to note that the Humanities and visual arts colleges receive higher amount than others in all allocation types which could be due to the fact that these are not so popular majors
